TOP - I liked the course very much because

- I learn a lot of things about applications

- I learned a lot

- I think the professor is very cool and he makes everything clear.

- It is very easy to understand some design rules with example pictures.

- It's more practical.

- Joatan teaches us a lot of useful knowledge about mobile application.

- Professor always is well prepared for the course. The contents are really clear and helpful.

- Professor teaches very efficiently and I understand the course easily

- The PPT is very clear and direct. The rhythm of the course is great.

- The content of the course is very helpful and the teacher shares the source with us online.

- The content was new to me and the course was very helpful and clean.

- The lecturer was very clear and good with teaching. The (...) nicht lesbar für die Datenerfassung and course of the class was well defined.

- The method of lecturing is interesting, also the provided materal is very helpful.

- The professor teaches this class in a very lively way. I really like his presentation everytime!

- everything was perfect

- it's clear and useful

- resaonable course timing; nice, friendly teacher; adequate contents let me realize lots of knowledge I have never learned before. Thank you so much!

- well organized; lots of useful information

- well structured

FLOP - To improve the course, I would propose

- Maybe we can use "slack" to help us communicate fast and efficiently. Because we can only see you one time in two weeks.

- maybe the course time can be longer

- nothing (2 Nennungen)

- to encourage students that it's easy to do things

My satisfaction with the course

My advice to the lecturer would be ...

- It's not good to have teamwork tasks.

- Try to be encouraging, that the work can be done. Yes, people can fail. But given them trust, they can do extraordinary paper or (...) nichts lesbar für die Datenerfassung

- You rock! Just be cool.

- nothing at all. His lectures were pretty good!

- requirements of this course are very well :-)

- to teach a bit slower

The regularity of the course and my attendance

I was unable to participate because ...

- I had an examination in Berlin. And I sent an email for my absence.

- I had to attend a workshop apart from this class

- I was sick

My overall impression of the course

To improve this questionnaire, I would suggest ...

- It's okay in my opinion

- The class was pretty good and really informative. Just keep it the way it is.

- This class is good enough :)

- make it shorter!

- maybe more practice for user experience will be good

- nothing

- overall it's very good
